MINISTRY OF HEALTH AND SOCIAL SERVICES

UPDATE BY DR. KALUMBI SHANGULA, MINISTER OF HEALTH AND SOCIAL SERVICES ON COVID-19 IN NAMIBIA.

5 July 2020

WINDHOEK
**Check Against Delivery*

1. Good afternoon Fellow Namibians! Today I am informing the public that we have recorded thirty-eight (38) new Covid-19 positive cases, all are Namibians. One case is from Engela, Ohangwena region and the rest are from Walvis Bay. The one in Engela is a 25-year female who travelled from Walvis Bay on the 17 June 2020, and was put in quarantine on the 25 June 2020. A specimen was taken from her on the 26 June 2020.

2. Twenty-two (22) are females and sixteen (16) are males. The youngest is 2 months old and the oldest one is 63 years old. Fourteen (14) are contacts of confirmed cases. Contacts of the remaining 24 are still to be established. Fourteen (14) had symptoms consistent with COVID-19 at the time of specimen collection. Nine were identified through active case search. They are all in stable condition. Contact tracing is ongoing.
