

GROOTFONTEIN MUSEUM

SINCE 1983

One of the most versatile and interesting museums in Namibia!

Curious about cultures and ready to take a trip into the past?

To obtain a touch and feel about the country's history a visit to the Grootfontein Museum is a rewarding experience.

Contrary to expectations, the privately founded and funded museum does not only display colonial history, but also offers interesting traditional and cultural artifacts of different cultural groups.

There is a lot to discover with the large selection of the extensive range of exhibitions in the Grootfontein Museum.

Embark on an exciting journey through different rooms that exhibit interesting themes. There is definitely something for everyone with various exhibitions such as mining, the history of Grootfontein, a wagon workshop and a blacksmith as well as an extensive exhibition of the ethnic Himba people.

The selection of exhibitions and collections is huge and guarantees exciting browsing for the whole family.
