

LETTER GUESTS ATTENDING THE SUAS EVENT

Dear Valued Guest,

On behalf of the entire O&L Leisure family, we are pleased to welcome you to Midgard Country Estate and excited to bring you the special show “Stars Under African Skies” - a collaboration with the Allgemeine Zeitung; Tourismus-Namibia and O&L Leisure and proudly hosted by the Fly & Help Foundation.

In line with the O&L Group Purpose, “*Creating a future, enhancing life*”, we have a vested interest in the development of education in our country and thus pleased to support this initiative by Fly & Help which is aimed at promoting school education and building new schools in developing countries. The Foundation has over the years raised funds for 330 school projects in Africa, Asia and Latin-America to an amount of approximately Euro 15.9 million; while it has already built and developed 40 schools with an investment value of approximately 2,7 million euro (N\$50 million) in Namibia to date. As such, all proceeds of the “Stars Under African Skies” concert, will go towards building schools in Namibia!

As you know, the concert is taking place during a time where the global COVID-19 pandemic is still very much a reality for all of us. Thus, we have taken extra care to ensure that you enjoy a memorable time in a safe and secure environment. With the current Government regulations and limitations in place, and for your own safety and that of everyone else visiting Midgard, we call on your support and urge you to kindly adhere to all COVID-19 protocols (*see below*):
